## **CITY COUNCIL AGENDA REPORT**

**SUBJECT:** Authorize the City Manager to Sign an Agreement between the City of Calexico and Hazard Construction Company for Construction of the Earthquake Damage Repairs Project at Calexico International Airport

**AGENDA DATE:** August 3, 2010

**PREPARED BY:** Luis Estrada, Director of Utility Services

**APPROVED FOR AGENDA BY:** Victor Carrillo, City Manager

**RECOMMENDATION:** It is recommended that the City Council authorize the City Manager to Sign an Agreement between the City of Calexico and Hazard Construction Company for Construction of the Earthquake Damage Repairs Project at Calexico International Airport in the amount of \$243,442.50

**FISCAL IMPACT:** Total project cost is estimated at \$371,386 including Construction and soft costs (see discussion below). Of this amount 95%, or \$352,816.70, will be funded, by an FAA grant and the remaining 5%, \$18,569.30 to be funded by the City.

**BACKGROUND INFORMATION:** The Airport sustained damage caused by the 2010 Easter Sunday Earthquake: specifically to the east access road and the runway. The City applied for an FAA grant to repair the damage and authorized the design services necessary for the Project. It was determined that about 1,200 ft of roadway needs total reconstruction and about 115 feet of the runway needs a leveling course.

**DISCUSSION: (Current consideration)**

The City entered into an agreement with AE Consulting, Inc, on May 3<sup>rd</sup>, 2010 to perform the designs and provide construction management services for the Project in the amount of \$49,266.

The Construction Contract for the Project was publicly bid and four bids received as follows:

Hazard Construction Company	\$243,442.50
Granite Construction Company	\$265,402.96
Pyramid Construction & Aggregates, Inc.	\$271,158.46
Daley Corporation	\$426,085.15

A new Airport Beacon will be purchased and installed by City forces for an estimated cost of \$6,579.

Inspection services and contract administration will be provided by City forces for an estimated cost of \$44,098.50.

A separate task to repair a portion of the slope between the runway and the road believed to be caused by the earthquake is estimated to cost \$28,000 based on a quote provided by Mingus Constructors, Inc.

The total Project cost is therefore \$371,386. The City has been awarded an FAA grant in the amount of \$371,386.

The work for which this proposal is submitted is for construction in accordance with the special provisions (including the payment of not less than the minimum wage rates set forth therein) and the contract annexed hereto, the project plans described below and also in accordance with the Department of Transportation Standard Plans, latest edition, the Labor Surcharge and Equipment Rental Rates in effect on the date the work is accomplished, and the General Prevailing Wage Rates that are on file and available from the City Clerk located at City Hall, 608 Heber Avenue, Calexico, CA 92231.

The project plans for the work to be done are entitled:

EARTHQUAKE DAMAGE REPAIRS

Bids are to be submitted for the entire work. The amount of the bid for comparison purposes shall be the total of all items in the bid. The bids will be evaluated for the lowest responsible bidder based on the lowest total bid.

The bidder shall set forth for each unit basis item of work an item price and a total for the item, and for each lump sum item a total for the item, all in clearly legible figures in the respective spaces provided for this purpose. In the case of unit basis items the amount set forth under the "Total" column shall be the extension of the item price bid on the basis of the estimated quantity for the item.

In case of discrepancy between the item price and the total set for a unit basis item, the item price shall prevail, provided, however, if the amount set forth as an item price is ambiguous unintelligible or uncertain for any cause, or is omitted, or is the same amount as the entry in the "Total", column, then the amount set forth in the "Total" column for the price shall prevail and shall be divided by the estimated quantity for the item and the price thus obtained shall be the item price.

If this proposal shall be accepted and the undersigned shall fail to enter into the contract and furnish the two bonds in the sums required by the State Contract Act with surety satisfactory to the City of Calexico within eight (8) days, not including Sundays and legal holidays after the bidder has received notice from the City that the contract has been awarded the City of Calexico may, at its option, determine that the bidder has abandoned the contract, and thereupon this proposal and the acceptance thereof shall be null and void and the forfeiture of such security accompanying this proposal shall operate and the same shall be the property of the City of Calexico.

The undersigned, as bidder, declares that the only persons or parties interested in this proposal as principals are those names herein; that this proposal is made without collusion with any other person, firm, or corporation that he has carefully examined the location of the proposed work, the annexed form of contract, and the plans therein

referred to; and he proposes and agrees if this proposal is accepted, that he will contract with the City of Calexico, in the form of the copy of the contract annexed hereto, to provide all necessary machinery, tools, apparatus, and other means of construction, and to do all the work and furnish all the materials specified in the contract, in the manner and time therein prescribed, and specified in the contract, in the manner and time therein prescribed, and according to the requirements of the Engineer as therein set forth, and that he will take in full payment therefore the following item prices, to wit:

CITY OF CALEXICO  
EARTHQUAKE DAMAGE REPAIRS  
AT  
CALEXICO INTERNATIONAL AIRPORT  
PROPOSAL TO THE CITY OF CALEXICO

NAME OF BIDDER: Dalby Corporation  
BUSINESS ADDRESS: 6370 EASTGATE MALL  
SAN DIEGO, CA 92121  
CITY, STATE, ZIP: \_\_\_\_\_  
TELEPHONE NO.: AREA CODE 858-642-7500  
CONTRACTOR'S LICENSE NUMBER: A-749995

The work for which this proposal is submitted is for construction in accordance with the special provisions (including the payment of not less than the minimum wage rates set forth therein) and the contract annexed hereto, the project plans described below and also in accordance with the Department of Transportation Standard Plans, latest edition, the Labor Surcharge and Equipment Rental Rates in effect on the date the work is accomplished, and the General Prevailing Wage Rates that are on file and available from the City Clerk located at City Hall, 608 Heber Avenue, Calexico, CA 92231.

The project plans for the work to be done are entitled:

EARTHQUAKE DAMAGE REPAIRS

Bids are to be submitted for the entire work. The amount of the bid for comparison purposes shall be the total of all items in the bid. The bids will be evaluated for the lowest responsible bidder based on the lowest total bid.

The bidder shall set forth for each unit basis item of work an item price and a total for the item, and for each lump sum item a total for the item, all in clearly legible figures in the respective spaces provided for this purpose. In the case of unit basis items the amount set forth under the "Total" column shall be the extension of the item price bid on the basis of the estimated quantity for the item.

In case of discrepancy between the item price and the total set for a unit basis item, the item price shall prevail, provided, however, if the amount set forth as an item price is ambiguous unintelligible or uncertain for any cause, or is omitted, or is the same amount as the entry in the "Total" column, then the amount set forth in the "Total" column for the price shall prevail and shall be divided by the estimated quantity for the item and the price thus obtained shall be the item price.

If this proposal shall be accepted and the undersigned shall fail to enter into the contract and furnish the two bonds in the sums required by the State Contract Act with surety satisfactory to the City of Calexico within eight (8) days, not including Sundays and legal holidays after the bidder has received notice from the City that the contract has been awarded the City of Calexico may, at its option, determine that the bidder has abandoned the contract, and thereupon this proposal and the acceptance thereof shall be null and void and the forfeiture of such security accompanying this proposal shall operate and the same shall be the property of the City of Calexico.

The undersigned, as bidder, declares that the only persons or parties interested in this proposal as principals are those names herein; that this proposal is made without collusion with any other person, firm, or corporation that he has carefully examined the location of the proposed work, the annexed form of contract, and the plans therein

referred to; and he proposes and agrees if this proposal is accepted, that he will contract with the City of Calexico, in the form of the copy of the contract annexed hereto, to provide all necessary machinery, tools, apparatus, and other means of construction, and to do all the work and furnish all the materials specified in the contract, in the manner and time therein prescribed, and specified in the contract, in the manner and time therein prescribed, and according to the requirements of the Engineer as therein set forth, and that he will take in full payment therefore the following item prices, to wit:
